Work Days at
Camp Pee Dee Retreat Center

Camp Pee Dee's next work day is **Wednesday, February 14.**

There are projects for all skill levels and age groups.

We will be focusing on the following tasks:

- ❖ **Replace missing and broken shingles on cabins**
 - **Tools needed:** Ladder and hammer
- ❖ **Repair screen door at Craft Hut**
 - **Tools needed:** Battery powered drill and hammer
- ❖ **Repairing and cleaning signs**
 - **Tools needed:** Battery powered drill

We would be extremely grateful if you can join us for the day. A delicious lunch will be provided. Please contact Jason Steen at (843) 479-3051 **by February 7 to register.**

The next work day will be held on **Saturday, March 10.** We hope many hands will join us on Saturday.

- ❖ **Install concrete handicap ramp at dining hall**
 - **Tools needed:** A concrete trial, a rake and shovel
- ❖ **Clean exterior windows and walls on cabins:**
 - **Tools needed:** Broom, rags and window cleaner
- ❖ **Cutting and removing dead trees on entrance road**
 - **Tools needed:** Chain saw with protective equipment, weed eater, and gloves.

In order to plan accordingly, participants MUST register by February 28 so we will have the supplies needed to accomplish and complete many tasks.

Should you have any questions, please contact Jason Steen at (843) 479-3051.
